

Consider the advantages of Payrolling your employees with Apollo Professional Solutions and erase the headaches associated with record keeping for:

***FICA *FUTA *SUI *W-2*
*WORKERS COMPENSATION***

At a minimum cost above each employee's hourly pay, you receive:

- Worker's Compensation Coverage
- Complete Pay rolling /Record Keeping Services
- Relief from Benefit Administration
- An Extended Human Resources Department

At the same time, you maintain total control over:

- Terminations
- Selection of your employees
- Raises, Reviews, and Pay rates

Payroll all new hires for as short as you want or as long as you want and avoid expensive hiring mistakes. Convert long term temporaries to more cost effective Pay rolling rates.

How it works?

As you make you normal selection during the hiring process. The employee is told that they will be working for your company through Apollo Professional Solutions, Inc.

In other words: The employee becomes an Apollo temporary while working on-site at your location.

They can fill our paperwork on-line, in house (your location) or at our office. We take if from there and cover all cost and burden associated with the employee at a tremendous cost saving to you.

*There is a minimal fee should you decide to transfer the employee to your payroll?
